16 September 2020

Long term, tough term, short term, rough term?

After an exceptionally long term for our senior pupils, but a somewhat shorter term for our Grade 4s, we are certainly ready for our two week holiday starting this **Friday at 10h00**. A reminder that we're wearing South African green and gold clothing or heritage clothing on Friday. Those parents still working from home, we hope you will get some precious time to make spring memories with your children.

After Care is still open daily during the school holidays (please use the Korhaan Street entrance).

We will be back at school on **Monday the 5th of October in our school uniforms and with neat hairstyles**, ready to tackle Term 4! Although 2020 has been labeled as exceptionally rough and tough, we want to pause and express our sincere thanks to our parents for your faithful payments and support, our teachers for your uncompromising commitment to ensuring that our children get an excellent education, and our Heavenly Father for His faithfulness as our rock during the storm.

Staggering the Friday pick-up time...

Spur burgers and fries will be delivered before 10h00 on Friday. We will allow pupils to remain on the school premises and enjoy their burgers until 10h45 to the sound of music outside the hall if they would like to do so. Should you wish to avoid the heaviest traffic at 10h00, you can come a few minutes later to fetch your child. Please confirm with your child what time exactly you will pick them up, so that they can be ready for you at the gate.

Unfortunately, orders for burgers are now closed, but the Grade 7s extend their sincere thanks for your support.

More fund-raising fun...

Another funky idea that the Grade 7 teachers have proposed to raise farewell funds, is "civvies day" vouchers. Mr Swiegers and Miss Mamapa will sell "civvies day" vouchers for R10 as of tomorrow. The Grade RRR-7 bearer of the voucher may wear civvies on ANY day (bar school photo day ☺) and present their voucher to the teachers at the school entrance. You can purchase your vouchers in advance and plan a fashion debut to dazzle your friends.

Lost property...

We have a vast collection of lost items that have been left at school this term. We cannot keep them beyond the holiday and will donate them to charity unless they are collected by Friday. PLEASE ask your child (as we do) to check the lost property buffet!

On the topic of school photos...

Our school photos are scheduled for the second week of term 4. We will remind you closer to the time.

Twice the fun...

Congratulations to Khakhu Matshiva (Grade RC) and her parents who have welcomed in a double blessing last week Tuesday. May twins Ramulayo Matshivha (boy) and Alu Matshivha (girl) bring your family joy!

Enjoy the break!

Prayerfully and playfully
