14 October 2020

Looking good...

Don't forget it's school photo time this week Thursday and Friday (15 and 16 October). Please dress neatly for both days, as we are not sure which of the two days your child will be photographed. Also, remind your child **NOT** to wear their **PT CLOTHES** even though it's their PT day. Cheeeese!

A-camping we will go...

Thank you to all the Grade 5-7 families who responded to the survey regarding our Senior Primary camp planned for Happy Acres from 24 to 27 November (3 nights). We had 78 parents responding of which 43 families have opted to send their children to camp. We have therefore decided to go ahead with the camp. Please include the camp fees (R1670) in your school fees payment at month end if you indicated that your child will be attending. Mr Swiegers and Miss Mamapa will be the camp "mom and dad" this year. If you did not respond to our survey but would like for your child to attend, please drop us an email so we can keep an eye on our numbers for bus transport purposes (admin@solidfoundationsprimary.com).

LO glitch...

Apologies for listing LO as an exam on the assessment plans for Grade 5 and 6. Only our Grade 7 pupils write an LO examination. The Grade 5 and 6 LO mark is comprised of class assessments and activities.

Congratulations!

The stork has been working overtime for our Solid Foundations families. Rhandzu in Grade 1 got a new baby brother on the 4th of October. The little guy arrived at a healthy 3,3kg and his name is Rhulani Luca Mbambazele (meaning peace and light).

And Alex (Grade 3) got a new baby sister on the 12th of October. This little lady arrived at 3am (poor mom! ☺) and weighed 3,12kg. Her name is Cielle Mpofu (meaning "heavenly"). We pray a rich blessing over Rhulani and Cielle, and may they bring joy and love to their precious families.

Classlists for 2021...

We have posted our proposed classlists for 2021 in the school hall windows. Encourage your child to check for his/her name and also the class that they have been assigned to. It does help to avoid confusion in January if your little one already knows where to go. The classlist posting also helps us to do a final check regarding our "leaving and staying" pupils. We would like to caution our pupils that having their name on a classlist

for 2021 does not necessarily mean that they have automatically passed this year. We still need our final cycle's report marks to confirm a child's progression to the next grade. If your child's name does not appear on any list, we are assuming you are leaving us in 2021. Vice versa, those on the lists are expected to remain. We would like to kindly remind you that we do not carry over any debt from one school year to the next. Regrettably, school fees that were not paid in full by 15 December will translate into removing pupils from the 2021 classlists.

Prayerfully and playfully
