Financial conclusion...

Just a reminder that we will not carry over ANY debt from 2020 into 2021. No partial payments will be accepted. All 2020 accounts that are not completely settled by 15 December will AUTOMATICALLY result in children being removed from our classlists for 2021. Absolutely NO EXCEPTIONS will be made to this ruling. Please settle your account in time.

Lost property...

Remember that Lost property is going for free, outside the school hall. Do not take anything that is labelled, but everything unlabelled is fair game.

A note of thanks...

Life goes terribly fast, and we tend to forget that in many cases, our teachers spend more time with our children than anyone else in their lives. Please take the time to express your thanks to your child's teacher for the year gone by. Your words are the fuel that keeps them motivated and inspired. Your kindness will go a long way.

Prayerfully and playfully
