Making it a love-ly day...

Our school will be celebrating Valentine's Day in style on Friday with ribbons and badges and a Valentine's Dance for Grade 5 to Grade 7! Although the Mickey Mouse pupils will be having messy play day (see next section in letter), all pupils may wear civvies as long as they are decked out in the colours of love - white, red or pink!

If you want to send a secret Valentine, order your ribbon by Thursday (to avoid running out of stock) from Teacher Erika or Mrs Obbes. A ribbon or badge will be delivered to this special person on Friday morning and they will not know who the secret sender was (confidentiality guaranteed ☺ !)

Ribbons are R3 and badges are R5. Different coloured ribbons imply different messages:

Pink - You're cute!

Blue - You're loyal!

Yellow - Great friend!

Badges are all multi-coloured.

The Valentine's Dance info is as follows:

Time: 18h00 - 21h00

Venue: School hall

Cost: R 30.00 [which includes hotdog and cold drinks]

Tuck and juices will be on sale.

Take out your red suede shoes and enjoy a swinging evening together!

Can we finally mess now??

Weather permitting - our Mickey Mouse Messy Play Day has finally arrived! So wear your oldest and dirtiest clothes to school on Friday (they could be wrecked), but pack in a clean outfit to wear afterwards (red, white or pink!). Don't fret, Valentine's badges and ribbons will be delivered after messy play to our little ones. Keep an eye on the web-site for photos of all the Valentine's Day fun.

Tough love...

Just a reminder that any pupils collected after 14h30 will be charged for After Care for the afternoon. Please ensure your transport companies also get the message!

Is that a hand raised?...

We are still looking for volunteers for Friday mornings to help out in the preschool classes for an hour (8h00 - 9h00). Contact Teacher Erika if you can help.

UCMAS...

We're excited to announce that UCMAS is officially starting this week Friday!

If you would still like to enrol your child in this interesting extra-maths programme (Chinese abacus based) please return your forms to the office by tomorrow so we have an idea about our numbers. Just a reminder that the first 10 enrolments get a R50 discount on their starter fees.
