EXPLOSIVE news!!!

Thanks to the hard work and initiative of Mrs Langford, we are sooooo excited to launch our own "Professor Phantom's **Science Club**"!

Once a month, Scientist Ian (a passionate teacher from a local private high-school) will do **FUN EXPERIMENTS** with our children to kindle an awareness and passion for this important subject from a young age!

When?

Grade R - Grade 2: Friday afternoon the 6th of March 15h00 - 16h00

Grade 3 - Grade 5: Friday afternoon the 13th of March 15h00 -16h00

Grade 6 - Grade 7: Friday afternoon the 20th of March 15h00 - 16h00

Where? Teacher Erika's classroom

Cost? R80 per session

Ian will buy supplies for club members, so we do need to give him our numbers.

If your child is going to join in the fun, please let us know by FRIDAY.

We can't wait to hear the bubbling, squishing and sloshing reports from our club members!

Friday facts and fun...

If you have not had a glance at our photo gallery on the web, take a moment to enjoy the messy and delighted faces of our Mickey Mouse pupils during their Messy Play Day escapades!

This week Friday, Grade 4 - 7 will be entertained by "On-Cue Theatre". They usually put on a sensational theatrical show, so our seniors are in for a super treat. Teacher Erika and Teacher Wilna's classes will be walking to Norkem Mall this week Friday to have our annual eye screening tests done by the optometrists. Please make sure that your child has a sunhat, shoes and sunscreen. A water-bottle will also make the trip more pleasant!! Teacher Kathy and Teacher Laura's classes will have their turn next week Friday, and will "bake" cookies this week while they wait for their preschool friends to return.

First cake sale for our sweethearts...

Teacher Kathy's class will host the first Mickey Mouse cake sale next week Thursday! Please could these Grade RR moms and dads spoil us with popcorn, cupcakes or anything yummy for the sale. We will bring our spare change to show Teacher Kathy our support. The cake sale is open to Mickey Mouse pupils first, and any left-overs will be sold to the Solid Foundation pupils at second break.

Mind your manners...

Have you ever had the challenging experience of planning the perfect kiddie's party and not having a clue how many kiddies to cater for? PLEASE RSVP to any invitations you receive, EVEN IF YOUR CHILD IS NOT ATTENDING. We have this problem every year and parents ask us as teachers to find out who is able to attend. Let's remember our manners folks!

Last call for a volunteer...

We have had three fantastic mummies willing to help out on Friday mornings for an hour (8h00 - 9h00) but we are one volunteer short to be able to start. Any more angels out there??

UCMAS...

UCMAS had an enthusiastic start on Friday!

Please ensure all forms and funds are in before Friday if you still would like to join.

Theme for Mickey Mouse next week...

Let's be safe!

Prayerfully and playfully
The Teachers

HAPPY 2015

Was your **NEW YEARS RESOLUTION** to
get healthy, lose weight and look amazing?

Well then join our amazing **6 Week Weight Loss Challenge....**

- Starts the **1st of Feb 2015**
- Weekly weigh-ins & Measurements every Wednesday's at 6PM & Saturdays at 09:00 AM
- Weekly Tips on Nutrition and Living healthy
- Grand Prize at the End!!!
