Love is in the air...

It's 10 days to go until our hearts are warmed and Cupid is flustered! We will be selling "secret" badges and ribbons to raise funds for our Grade 7 farewell. This is how it works...

If you secretly have your eye on a pupil or teacher that you would like to send a message to, you place your order with Teacher Erika or Mrs Obbes. A ribbon or badge will be delivered to this special person on Valentine's Day and they will not know who the secret sender was!

Ribbons are R3 and badges are R5. Different coloured ribbons imply different messages.

Pink - You're cute!

Blue - You're loyal!

Yellow - Great friend!

Say it in secret and make somebody's day super special! MWAH!

Valentine's Dance...

Date: 13 February 2015

Time: 18h00 - 21h00

Venue: School Hall

Who: Gr 5 - Gr 7

Cost: R30 which includes a hot dog and juice

Theme: Glow in the Dark

Come and have fun with some dancing and games. Bring some extra spending money for glowy goodies and extra snacks.

There will also be a "photo booth", so watch out for the paparazzi on the red carpet! Photos may be ordered and paid for the following week.

Change of preschool plans...

Thank you for understanding about the postponement of our messy play day. We are aiming for NEXT week Friday (weather permitting) for our messy fun! This week Friday we're in for a special treat with a professional puppeteer who puts on the most spellbinding shows. Ask your child all about it!

Picture perfect...

Our website is getting some attention again and we need to ask your permission to put photo's of your child in our gallery for 2015. If you do NOT want your child's photo to feature on our school website, please would you let the office know by Friday. We try to keep the gallery full of the fun events happening around school, so check in every so often!

Hickory, dickory, dock...

Please keep an eye on the clock!

Just a reminder that school closes at 13h00 for our juniors and 13h30 for our seniors. If your child is not collected from school by the latest 14h30, we will be charging you **full price for After Care**. This is only fair to our parents who are paying After Care fees to have a watchful eye on their child in the afternoons.

Please notify your transport companies that we will be clamping down on late collections!

Any volunteers, please step forward...

The preschool teachers are brainstorming ideas to help our kiddies develop a stronger vocabulary. To try out a proposed language development programme we would require an hour of help on Friday mornings at school (8h00-9h00). Are there any parents or grandparents who would be willing to help out during this time? Your time would be a goodwill donation and not a paid position, as we are simply experimenting with the effectiveness of our planned programme first. We would need volunteers to assess children by showing them pictures and recording their responses. If you are able to help, please contact your child's teacher this week.

Thank you woollies shoppers!

We received R585 from Woolworths "My School Card" over December. THANK YOU parents for your super support! If you haven't got a card yet, please think of us the next time you ring up.

UCMAS...

We sent out emails earlier this week about a new extra-curricular activity at school called UCMAS. This is the Chinese abacus system for mathematics. Lessons will be on Friday afternoons for 2 hours. If you would like your child to participate in a sample lesson this week Friday (for free), please let the office know by tomorrow. Space is limited, so booking is essential. Parents are welcome to come and see what all the fuss is about! Friday's sample lesson will be from 13h15 to 14h15.

Ice lollies will be sold this week Friday during break time for R2 per lolly.
