Professor Phantom's Science Call...

It's a new month and Professor Phantom has a new set of exciting experiments for preschool to Grade 7! If you would like to join the Science Club this week Friday (15h00 - 16h00), please give your R80 to Teacher Erika by tomorrow. The bubble and trouble is a lot of fun and will be remembered by our impressionable scientists for life!

On the ball...

Our netball girls have been doing a sterling job in their sportsmanship and athleticism. A special mention needs to be made of our u/10 team who won against Olifantsfontein Primary (23rd April) and Aston Manor Primary (7th May). Our u/10 B team also drew in their match against Aston Manor Primary last week.

The u/10 A team will play against Maranatha's u/11 team tomorrow (14th May), while our u/13's will tackle their u/13 team. The u/7, u/8 and u/9 netball teams will participate in a mini-netball tournament at Summerfields Primary School in Boksburg on Saturday the 16th of May. Supporters are most welcome as our girls will play 8 matches each.

Go team!

Mickey Mouse has got TALENT!

Last call for preschool auditions for Friday's little Talent Show. If your child is going to be performing an item, please write a note to Teacher Kathy. **Auditions will close tomorrow**, and performers need to bring along their CD's. Please remember that only dancers and singers with CD's will be included. Other sensational performers need only present their name to Teacher Kathy. All PERFORMERS are allowed to wear civvies on Friday - as a reward for their bravery and to add bling to their thing!

Theme for Mickey Mouse for next week:

Wheels and wings and transport things!

Prayerfully and playfully
The teachers
