Cake sales...

Grade 3S will host a cake sale tomorrow (Grade 1 - 7 pupils) and Teacher Wilna's class will host next week Thursday the 4th of June for the Mickey Mouse pupils. Don't forget your change!

McD and me...

Teacher Kathy has arranged for our school to host at McDonalds in Norkem Park next week Thursday evening (4 June) from 17h30 - 19h30! Funds raised will be used towards the Grade 7 farewell. Bring your whole family and treat mom to a kitchen-free night out.

Netball news...

Don't forget that U10 A & B, U12 and U13 will play a match this Thursday against Shangri La Academy.

Well done to the U10 team who beat Kempton Park Primary last week and have also made the play-off round for league netball! We're so proud of you girls!

Waiting list woes...

We are in the process of finalising our class lists for 2016 and have set our dates for school readiness testing. If you have not enrolled a younger sibling yet, please don't assume automatic enrolment! We are flooded with applications and will unfortunately have to turn most of them away. Notify us before the week's out to have a chance!

Let your feet do the talking...

Don't forget "Takkie Tax" day this week Friday. All pupils are invited to purchase a sticker for charity in the office for R10 and wear their favourite takkies to school. Why not join in the welfare walk and wear takkies to work on Friday?

Yes to diabolo yo-yo's...

Our Grade 1 - 7 pupils had a super yo-yo demonstration in the hall on Monday. The gentleman who presented the yo-yo tricks is selling his diabolos for R150. If you would like a larger-than-life yo-yo, you can purchase one in the office.

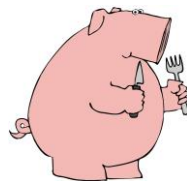

Anyone interested?

We were donated the following toners which we unfortunately cannot use: HP 49, Samsung M40 and Samsung SF-5100D3.

Theme for Mickey Mouse for next week:

Old MacDonald had a farm!
