Book the date!..

Diskonto travelling book company will be here tomorrow and before school on Friday morning. Why not treat your child to something extremely healthy, non-fattening, good-habit-forming and fun... buy a book! If you are unable to pop in yourself, send some cash along (we will exempt ourselves from taking responsibility for the children's literary tastes ☺!)

BEST SCIENCE CLUB EVER!!..

The pupils from last week's science club burst out of the class with extreme enthusiasm, gushing, "It was the best science club EVER!"

The class is going to be repeated this week Friday from 15h00 to 16h00!

If you would like your child to attend please send your R80 to Teacher Erika. It is a fabulous investment, short-term and long-term.

Up to Scratch..

Thank you for indicating to us which pupils are participating in the Scratch programming course. If you have not yet had a look at this free, no-obligation course yet, please do so at www.edx.org and to enrol (www.edx.org/course/programming-scratch-harveymuddx-cs002x-0). All the best to the pupils and parents! Let us know if you enjoy the journey!

Mickey Mouse Mall..

It's almost Friday and we are so excited about the shopping fever sweeping through the pre-school! Did you know that the classrooms are being converted into specialty stores and your child is going to "shop 'til they drop" on Friday?!

To make the day special and a definite memory-maker, we need the following from you:

1. Your child needs to dress up for the occasion. Young boys need to look like Dad and young girls need to look like Mom! Floppy hats, ties, high-heels, moustaches, make-up... you get the idea!
2. NO CASH PLEASE!!! You can send your usual tuck and hotdog (and book sale) money, but WE WILL SUPPLY THE FAKE MONEY for all the shopping fun.
3. Bring your own two shopping bags and a wallet/purse. All items must be labelled.
4. Any parents with old eye shadow and blush (we are having a beauty parlour) please donate to Teacher Wilna's salon.

Enjoy hearing about the discounts, deals and bargains in a classic Mickey Mouse highlight day!

Aren't they just too sweet..

The pre-school creepy crawly show on Friday was terrific, but Teacher Erika should've booked the "Crazy Critter" instead of the "Creepy Crawly" show! We ended up oohing and aahing over tarantulas and cockroaches instead of snakes and lizards. The Creepy Crawly company was so understanding of our misunderstanding that they have agreed to give us a free "Crazy Critter" show when our calendars correspond. Now we'll get double the thrill!

Enrolment fees time..

Mickey Mouse pupils, don't forget that your enrolment fees for 2016 are now due! For those who are unsure, we would like to remind you that this is the last year we are charging a separate fee for preschool and for primary school enrolments. To avoid this annual confusion, as of 2016 we will charge a flat once-off rate for all enrolments regardless of age or grade. For now, however, all our pre-schoolers are expected to pay a R2000 enrolment fee for 2016, regardless of whether or not you have been in our school for the duration of this year. We will, however, deduct your original preschool amount. Please check your account to ensure that you have paid.

Theme for Mickey Mouse next week...

When I grow up!

Smile a while...

Mrs Muller asked for the following definition in class: ANNIVERSARY

To which she received the following written answer:

Anniversary is not the same as a birthday because an anniversary is when you want to get away from your kids!!!!

Prayerfully and playfully

The Teachers
