What a way to warm the heart...

This term the grade 6's were given a project about caring for people. They were asked to make "bean bags" to be heated in the microwave and cooled in the freezer for children who have cancer. They were also asked to write a letter to the child that their bean bag would be given to (a challenging task as they didn't know the anonymous recipient and were not permitted to use clichés like "everything will be ok" or "hope you get better soon"). Our pupils really dug deep and they managed to make 70 bean bags! We were only hoping for 50 so the final result was outstanding! Thank you to all parents, grandparents, aunts and friends who helped with this project.

We also honour Mrs Obbes who initiated the drive and had the vision to lead our children in love!

Talented treasures...

Last reminder that the fund-raising Talent Show is "green-for-go" this week Friday! All children (performers included) are expected to pay a R5 "entrance fee" for the show, but this amount INCLUDES the usual civvies fee for the day. Don't forget your backing-tracks and props!

The Grade 6's will also be selling cool-drink during the intermission for R5.

Please remember that children who auditioned (many of whom were really great!!) but didn't get onto the time-limited list are going to have a special time-slot in assembly where they will perform their item in front of the staff and pupils. Every-one will have a chance to shine!

"Someone became ill from our cookies last week. We're raising money for this financial hole."

Yummmmmmm...

Tomorrow is Teacher Kathy and the Grade 5's cake sale. Don't forget to bring your change!

SCHOOL CLOSSES AT 10H00 ON FRIDAY. No hotdogs or tuck will be sold (except the cool-drink sold by the grade 6's). All pupils may wear civvies (after some discussion it has been decided that Mickey Mouse pupils are **exempt** from the R5 civvies fee as they don't get to view the Talent Show! Sniff!)

SCHOOL REOPENS ON MONDAY THE 12TH OF OCTOBER. AFTER CARE IS OPEN DURING THE HOLIDAYS AS PER USUAL.

Drive safely and have a peaceful break.!

Prayerfully and playfully
The Teachers
