Going all out for DIRT...

It's our infamous MICKEY MOUSE MESSY PLAY DAY this week Friday!! We allow our little people (Teacher Michelle's little ones included) to squish through spaghetti, sludgy mud and bucket-loads of gooey, disgusting stuff that will make mommies freak out! Please let your child wear old clothes that can get irreparably dirty. Your child will also need a spare change of dry clothes to slip into when all the yukky fun is over, and a plastic shopping bag

to keep the dirty, wet clothes together. Label everything with your child's name and enjoy the pictures on the web after Friday!

Love is in the air...

Can you recall Valentine's Day as a child? Did you have the heart-felt fluttering feeling of wonder when you received a "secret valentine"?

Our school has always believed in making magical moments for our children. Valentine's Day is the perfect opportunity to sprinkle an extra something special around our school.

All children (Grade RR to 7) may wear red, white or pink clothing on the day. The cost for wearing civvies is R5, which you can pay to your teacher before Valentines. All money raised goes to our Grade 7 farewell fund.

Mrs Obbes, Mrs Van and Teacher Kathy are selling ribbons that are delivered on Valentine's morning. Ribbons cost R2. The colour of the ribbon gives a coded message to the recipient...

Yellow... best friends

Blue...you're loyal

Pink... you're cute

You can buy a ribbon for anyone in the school. Whisper the lucky name into one of the three teacher's ears and they promise to NEVER tell a soul! On Valentine's Day, your "secret" ribbon is magically delivered.

Mom's and Dad's are welcome to participate in the secretive fun too! Shhhhhh!

Put on your dancing shoes...

Grade 5 - 7, you are invited to a Valentine's Dance next week Friday night! Cost for tickets is R20 and this price includes entrance, a cool drink and a hotdog. Tuck will also be on sale.

Dress theme: Look at me!

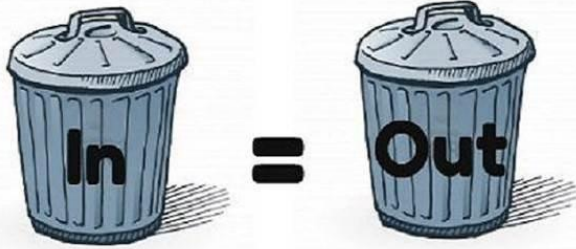

Time: 18h00 to 21h00

Have a ball at the ball!

Giving what you have...

Some very precious parents have given us a portion of their Friday morning to help out with testing our Mickey Mouse children on their vocabulary words. If you have an hour (8h00 - 9h00) open on Fridays or have a family member who does, please volunteer these minutes and put a smile on the preschool teacher's faces. Thank you.

Garbage in, Garbage out...

Keep in mind that your child's brain works like a car's petrol tank. The better the quality of fuel, the smoother the engine idles. Don't send crisps and cookies for lunch - it's a toxic mix that really makes your child's brain underperform. Keep sweets as a treat for Fridays, second break. The Mickey Mouse staff will confiscate unhealthy food during the week (Monday - Thursday), but hate playing this ogre-role. Help them and help your child.

Treasure hunt...

We are still struggling with a number of payments using an invoice number (KDZ number) as a reference. This KDZ number is computer-generated by our software programme and quite meaningless. Please could you ONLY use your child's name and surname as a reference on your EFT payments. We also received a payment of R1650 with "Solid Foundations" as a reference. Who is our nameless benefactor?
