Mickey Mouse has the munchies...

Teacher Wilna's class is hosting the first Mickey Mouse cake-sale of the year, TOMORROW!! This means that Teacher Wilna's children are bringing popcorn, cookies and cupcakes to sell and all the Mickey Mouse pupils (including Teacher Wilna's children) can buy these delicious treats at break. Although the cake sale is specifically for Mickey Mouse pupils, we do sometimes sell our leftovers - if there are any - to the Grade 1 - 7's at second break. All proceeds go to Teacher Wilna to buy luxury items for her class.

Our Mickey Mouse pupils are going to Drakes Party Farm next week Tuesday the 8th of March! Pack in a sunhat and some extra juice. The buses will be ready to leave at 8h00, so BE ON TIME AT SCHOOL!! Have a lovely time little field-trippers!

Transport trials..

Can we kindly ask the transports (please communicate this message to your child's transport) to take note of the following:

- You may only park on the school side of Korhaan Street. If

you park on the side opposite to the school you create a bottle-neck that blocks off traffic in both directions.

- Please wait for children in a thunder-storm. We have instructed our staff to keep them indoors and safe in severe thunder-storms. Either collect them personally in their classes, or give the weather a few minutes to clear.

Your cooperation will really go a long way in setting an example in manners and community care. Thanks.

Water Drive...

Mike Wald (our school piano teacher) has begun a charity water-drive. The water is headed for rural villages surrounding Vereeniging. It would be lovely if each family in our school could join in this caring initiative and donate a 5 litre or 2 litre bottle of water. Ms Gray has graciously offered to transport the water from our school to a collection point in Vereeniging. Our school collection closes on the 11th of March (next week Friday). Let's give a little of our time and money to make a difference to our drought-stricken

neighbours in a practical way.
