6 April 2016

Welcome back!

We've had a great holiday and we're revved and ready for a fabulous term 2.

We heard you...

Every year, in our annual survey we ask you as parents to give your feedback and input into the running of our school. In the last survey, it was requested that we look into creating more sports opportunities for our children. In the light of this - we have pondered, considered and brainstormed several crazy and some viable solutions.

We are thrilled to announce that we have bought a school bus!!! This will allow us to transport our sports teams to and from sports-grounds at neighbouring public schools and to the public park in Moirivier Road. Teacher Kathy and

Teacher Debbie are in the process of getting appropriate licences, so watch this space to hear about new sporting opportunities for our kids!!

Didn't your mother ever tell you to dress for the weather?...

What a drop in temperature! For our new families, we would just like to inform you that we do not announce the date for change from summer to winter uniform. As some winter days are glorious and some summer days are chilly, please dress your child appropriately for the weather - regardless of the season. We would kindly ask that you see to the following though:

WWW.ANDERSTOONS.COM

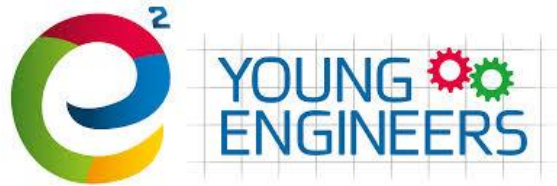

"Oh no. No daughter of mine is going out dressed like that!"

- No long-sleeved vests worn under short-sleeved shirts. Your child will take off their jersey at some point during the school day!
- Long-sleeved school shirts do not have to have a school logo on the pocket
- No button hole shirts (the ones that can button all the way up to the chin) may be worn without a bow-tie, button-ribbon or tie.
- Girls may wear GREY stockings under their culottes if they prefer this to grey school pants
- No drimacs (the sound is rather distracting in a class of 24 drimac wearers!)

School uniforms are available from Boundary Silk Bazaar and Sharmyn (116 Moirivier Road). Keep warm and snug and smart-looking this winter!

Young engineers...

Just a reminder that "Young Engineers" classes will resume on Wednesday the 13th of April, and thereafter, every alternate week from 13:30 - 14:30. If you are interested in enrolling, contact Carryn at 062-299-4321.

Catch the date...

Our first netball league match of the season is scheduled for next week Thursday. Netball teams U9 - U13 (Grade 3 to Grade 7) are taking on the girls from Aston Manor Primary School. As Teacher Kathy is still in the process of getting her licence, we do need parents to help with transporting girls to and from school. Please let Teacher Kathy know ASAP if you are able to lend a hand. We are planning to leave school at 13h30 and return by about 15h30-16h00.

Vocab and reading programme...

We will send out our new reading books and vocab words for the Mickey Mouse kiddies on Friday. Thank you to the parents who are giving us weekly book quality feedback reports. They really help to keep tabs on the books!

Classifieds...

- Liz's Shuttle Services- Transport services where customer centricity is the driving factor. Contact Liz on 079 029 8047 also on WhatsApp and email lizanda.joshua@gmail.com
- ABC transport. Safe, reliable transport to and from school in the mornings, afternoons and late afternoons. Contact Grant 083-411-8533.

Who are you?

We received a payment from an anonymous donor. The reference was "school fees", and the payment was for R4500 on the 29th of March 2016. Please let us know if the payment is yours.

Just a reminder that our door is always open! Please come in and see us if you need to chat.

Prayerfully and playfully
The teachers
