## Cake sales for the month...

It's a double cake sale day next week Thursday. Teacher Laura and Grade 3S will be hosting their cake sales, so the whole school is invited to bring their change along and enjoy a delicious day.

## Safety First...

We are so sad to inform you that one of our lift-club gentlemen was hijacked outside the school last week Friday afternoon at 13h00. This occurred in front of all the other parents and our car-guard - who came very close to catching the culprit before he jumped into the hijacked car. The good news is that the car was recovered - even without a tracker!

Please be vigilant when you drop off and collect your child from school. If you are feeling vulnerable, ask Darrell for assistance and don't let your car idle while you wait for your child.

Another safety issue that has been flagged... please don't forget that we do not allow our children to go home with their friends unless parents have sent us a note or email giving permission. Although playdates are often spontaneous and kiddie-coordinated affairs, we do need to make 100% sure that you are in the loop regarding your child's whereabouts.

In addition to this, we do need you to sign a check-out form if you are collecting your child after 14h00 in the afternoons, regardless of the reason for late collection. This way we can keep an eye on who fetched whom and when. Thank you.

## A bounce and a jump...

Our netball girls have made us so proud with their vigour and exemplary behaviour. They are scheduled for matches again tomorrow. Please could the U10, U11A, U12 and U13 girls pack their P.T. clothes and can moms and dads help again with transport to Kempton Park Primary after school. The U9 team are playing Westside at home next week Wednesday (25<sup>th</sup>). This coming Saturday is the big netball tournament at Summerfields, so our girls are in for a day jam-packed with extra bounce.

## Crazy about reading...

We are so excited about our new readers that have arrived at school. Just a reminder that like any book, readers are to be treated with respect and care. Our school has proudly invested over R75 000 in purchasing English and Afrikaans readers. Their replacement value is quite exorbitant, so remember to wash hands before reading and treat the books as you would a good friend!

## Encore...

Our preschool teachers are bravely taking to the stage on Friday with their production of "Snow White and Rose Red". Keep an eye on our website for pictures. We've also included some new shots of last week's collage day. Have a look and enjoy the messy memories. ([www.solidfoundationsprimary.com](http://www.solidfoundationsprimary.com))

Prayerfully and playfully
