CIRCLE THE DATE!!!

Has your child been talking about a concert? We've opted out of participating in Eisteddfod this year, and have decided to put on our own showcase of cute items from every class in our school.

When: WEDNESDAY evening 14 September

Time: 18h30 (kids to be there by 18h10)

Where: Maranatha Community Church - corner of Dann and Veld Street in Glen Marais

Entrance ticket: A grocery item for those in need.

As every child will have a part in the concert, please notify your child's teacher immediately if he/she is unable to attend.

Certain classes have decided to wear t-shirts instead of school uniforms for the event. Grade RR, R, 4 and 5 have chosen to do so. To keep the uniformity amongst performers, we have ordered the shirts from a supplier. Please note that your account will be debited R60 - R80 (depending on size and colour) if your child is in these grades. Mickey Mouse shirts are R60, but the other class prices will be announced individually. You can add the payment to your monthly school fees.

Invite grandparents and friends, as it is a big hall to fill and our children are very endearing performing their various items! We are looking forward to a beautiful evening with you and yours.

"Billy Green you know very well that you stand this end!"

PUQH

"There was a zebra crossing there and you didn't even see it!"

Oh be careful little feet where you walk!

We would encourage you to make use of the "drop off zone" on Maraboe Street, under the tree near the teachers' parking. Would you kindly make sure that your child does not walk through the teachers' parking, but use the pathway down the side. Some of our little ones are tiny and are oblivious to the teachers reversing into parking bays. Please keep your kiddies safe - they are our most precious possessions.

Congratulations!!!

We have a new little addition to our Solids family. Jonathan Malapwa (Grade 2V) has a beautiful baby sister. May she bring you bucket loads of giggly girly fun!

Claiming the cricket field...

Our cricket boys are really excelling at present. Well done chaps! The u/13's have claimed victory against Laerskool Impala and Cresslawn Primary. Our u/10's were victors against Laerskool van Riebeeck and Norkem Park Primary and our mini-cricket team had a victory against Kreft. Go team!

A la Carte...

The company offering lunches for kiddies at our school at R25 have proven very faithful in their lunch delivery times. If you would like to join (mom's and dad's also need a well-deserved break!), their contact details are Cheryl 071-782-2513 and Leanne 076-781-2548.

Marvellous mommy...

Three cheers for Mrs Maphike (Sinenhlanhla in Grade 3's mom) who arranged her company to sponsor a full team's netball outfits. Air France has donated R2000 to make our Grade 3 netball girls look spiffy in their next meet! Thank you.

Cake sale time...

Next week Thursday is cake sale time for Solids. Grade 4's (Mrs Muller's) class are hosting and we are keen to show our support and devour their delicious delicacies (sorry Mickey Mouse - we have to skip this one out ☺).

Solid Foundations... living up to its name...

The following is a letter we received from one of our mummies this week. With her permission, enjoy it with us...

Dear Mrs Helmbold

We just want to share with you that Nivikar (Grade 7) has been awarded a 70% scholarship for his schooling career at Curro Serengeti High School.

The head of department, Mr Du Toit, spoke exceptionally well about solid Foundations school. I felt very proud of being part of Solid Foundations and knowing that I have been sending Nivikar to a school with high reputation.

Thank you for the prompt reply when I requested the testimonial and his school report and most importantly building the strong foundation in his primary school years which makes him what he is today.

Kind regards,
Rashika

Prayerfully and playfully
The teachers
