

Dear Parents

The photographer is concerned about the flash reflection in some of the photos.

As he believes in good customer service, if you are not completely satisfied with the quality of your child's photo, **please return it tomorrow** and he will re-take a new photo free of charge next week

Thursday. Your new photo package will be delivered within two weeks.

In addition to this concern, we are aware that the t-shirts for the concert are expensive.

The reason for this price is that we are buying 25 of the same shirt per class (times at least 7 classes). As such, it is a nightmare to co-ordinate plain t-shirts of the same size from "normal" stores like Woollies or Jet. We have ordered the t-shirts from a reputable t-shirt company. They should be of good quality. We do not make any profit on the shirts as a school. Comparatively, I priced plain white shirts at PEP yesterday at R49 per shirt, but again, not 25 of the same make and size. We have really tried to be fair to all our kiddies and have charged R80 regardless of the size. Again - no profit is being made by the school.

We have tried to compensate for the t-shirt price by not charging anything for concert tickets or making elaborate costumes, as most schools do.

Trust this puts your mind and pocket at ease!

Kind regards

Erika Helmbold
