## **Calling all bookworms...**

Every year Diskonto Books pays our school a visit. They will be joining us on the 11<sup>th</sup> and 12<sup>th</sup> of August with a variety of great books. To reinforce a love of reading, we strongly encourage our pupils to peruse and purchase a book for pure pleasure! If you are unable to come in to the school to see the sale, you are welcome to send money with your child. Books vary in price from R20 to R300.

## **Do you see a future in engineering for your child?...**

Did you know that we offer "Young Engineers" as an extra-mural at our school? This month, "Young Engineers" is offering a free sample class on Tuesday the 16<sup>th</sup> of August to any interested pupils. Please RSVP if you would like your child to try out a class. Call Carryn 062-299-4321 or email [info@youngengineers.co.za](mailto:info@youngengineers.co.za) to book your spot.

## **Something to crow about...**

We are so proud of Oratile Modipane and Lily Sontshaka who competed in the Gauteng Provincial Championship for gymnastics this weekend. Oratile was awarded a bronze medal and Lily received gold. Both now

proudly have their Eastern Gauteng colours. Well done ladies, you are certainly talented and make our school proud!

**Slithering into the weekend...**

Our preschool children are getting treated to a creepy crawly reptile show on Friday. Dane from Reptile World is coming with his slithering selection to give us a creepy fun start to the weekend!
