**25 January 2016**

## **Cake sales:**

It is Grade 1M's cake sale tomorrow. Please can the Grade 1 - 3 show their support and bring their pocket money to enjoy the delicious goodies brought in by our little ones. Teacher Laura is due for her cake sale next week Thursday (2 Feb). That means her class will be baking up a storm next week and all the Mickey Mouse pupils can bring their change for this special treat.

## **P.T. day correction...**

It was written in last week's newsletter that Grade 3E P.T. is on both Thursday and Friday. Forgive the error, it is only on a Thursday.

## **Out and about...?**

Some parents have requested a break-down of our planned outings and shows for 2017. Here is the peek preview of our planned fun: (If two dates are listed, we are separating classes within a grade to facilitate transport arrangements)

### Boundary boo-boo...

Boundary Silk Bazaar would like to apologise for selling the incorrect house-shirts and running out of stock. They are planning to get new stock by next week Friday. If you have bought a pastel-coloured house shirt (baby-blue) from Boundary, please return it. They will replace it as soon as their new stock arrives.

### Extra Afrikaans...

Mr Swiegers would like to begin extra-Afrikaans lessons for our pupils. If you would like some support in this subject Mr Swiegers has experience in tutoring and will begin classes next week:

Grade 5: Tuesday 13h45 - 14h45

Grade 6: Wednesday 13h45 -14h45

Grade 7: Thursday 13h45- 14h45

The cost per lesson is R100. Please notify Mr Swiegers the day before a lesson that you are planning on coming and bring the payment on the day of the lesson. We trust that these extra-lessons will help our pupils who are battling "om die taal mooi te praat"!

### Pocket money...

Did you know that pocket money is a great way to teach your child the basics of budgeting from a really early age. We would really recommend that your child pays for their own tuck and cake sales from their hard-earned savings. Pocket money should also be given in exchange for chores done around the home! We would recommend the following tool to help your child enjoy budgeting and seeing their goals grow: "My Money App". You can find out more on [https://www.youtube.com/watch?v=QyY4\\_cflunE](https://www.youtube.com/watch?v=QyY4_cflunE)

### Woolies shoppers...

If you shop at Woolworths, please take a few minutes to fill out a "my school card" application. For every swipe of your "my school card", our school gets a kick-back. We really appreciate the extra bits!

**Extra-mural ready, set, go...**

Next week all of our sporty extra-murals should be up and running. Please don't forget that fees have changed since last year, and most extra-murals require a registration fee for each year your child participates. If you have not completed a new registration form for your child (even if they participated last year), you can collect registration forms in the office.

The coaches have asked us to remind you of the following fee structures (as some parents are still paying last year's fees):

Cricket: registration R150, monthly R220

Netball: registration R150, monthly R240

Soccer: registration R125, monthly R160

**Mickey Mouse theme for next week:**

My Miraculous Body (The theme continues...)

**Growing brains through books and words...**

We will be launching our exciting vocabulary and reading programmes for Mickey Mouse this week. Keep your eye on your inbox for further information!

Prayerfully and prayerfully  
The teachers
