Obstacles in the way of the obstacle course outing...

Our apologies for having to postpone tomorrow's field-trip for our senior primary pupils. The bus company was quite comfortable about the strike issue until yesterday, thereafter the situation escalated and we both became concerned about our pupils' safety. We will reschedule the field trip as soon as the bus strike has concluded.

Snuggly savings for our little people...

Our school seamstress (Mathemba - 92 Monument Street - 011-050-7842 or 076-711-1443) has used the last of her maroon fabric and only has 9 tracksuits left for our preschool pupils. Once these are sold off, we are gradually transitioning into the same tracksuits as are worn by our Grade 1 - 7 pupils (the black and white ones).

Unfortunately the black and white tracksuits are not sewn by the seamstress but are purchased from a supplier and are therefore more expensive.

If you have not purchased a tracksuit for your pre-schooler yet, you might want to take advantage of the cheaper tracksuits while there's still a little stock left.

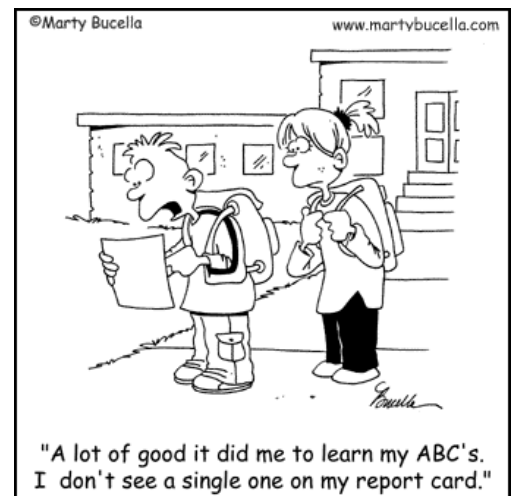

Bee safe...

We currently have a bee problem at our school. Please can you assist us by only sending your child with water to drink instead of cooldrink. Empty juice bottles and juice spills are a big attraction and if we minimise this, the bees do tend to dissipate after a few days.

Report Cards...

Reports (Grade RRR - 7, excepting Grade 1) are going out next week Wednesday the 2nd of May. Please scan your child's bag to check that you get one. If you would like to see your child's teacher after the reports have been released, please contact Miss van Wouw in the school office to make an appointment. We coordinate all the teachers' appointment schedules for two weeks after the reports go out to avoid unnecessary clashes in parent meeting times.

Sports news...

We were proud of our soccer boys who played their first league match ever last week against Edleen Primary. Although it wasn't a win (U9: 0-4 and U13: 2-6), the boys played impressively and did us proud! The soccer match scheduled for today has also been cancelled as a security precaution because of the national strikes. We will keep you posted about the postponed date.

Our netball girls have really shone in the last matches.

The results against Olifantsfontein (first time all our teams have won against Olifantsfontein!):

U10: 6-0

U11: 11-3

U12: 14-5

U13: 17-0

Against Ashbury:

U10: 10-3

U11: 6-7

U12: 13-9

U13: 16-1

Congratulations to Kurt (Grade 3) who obtained his national colours for archery over the weekend. This little Protea ranked number 1 for his age group in South Africa.
