My mommy is so special...

It's that precious time of the year where we invite our amazing multi-talented, multi-tasking moms to celebrate their super powers by squeezing in a cup of coffee or tea at school before work on Friday.

All mummies are invited to join us in the school hall between 6h45 - 7h30 on Friday for a little tea-party, culminating in a prayer of blessing at 7h35.

It's a very small token from us as a school to say "thank you" - we honour your incredibly challenging role and the grace in which you pull it off!

Senior primary cake sale...

Grade 5B are hosting their cake sale this Friday. Our Grade 4 - 7 pupils are invited to bring their change and enjoy the sweeter things in life. Hot dogs will still be on sale, but the tuck shop will be closed for senior primary.

Takkie Tax day...

Our school supports the national Takkie Tax day on May the 25th, and will be selling tickets for R10 from the office. All children who purchase a ticket may wear whatever shoes they like on Friday (25 May). Tickets cost R10 and proceeds go directly to a variety of children charities. So put on those blue suede shoes and make some moves to make a difference!

Get D6 to keep connected...

If you have not done so yet, please download the D6 School Communicator App on your cell or PC. It is free. This is the quickest and most effective form of communication between you and ourselves and we do expect it of all families in our school. We will also no longer upload any pictures on the App (for the parents who are concerned about space saving and data usage on their phones), and you get the added bonus of monitoring your child's homework which is uploaded daily by the staff.

Oops - didn't get your name...

While Mrs Bradshaw was off recently, Mrs Helmbold took in some of the finances. Unfortunately, she wrote down the name of the payer (a Mr Nchalati who paid R1800), but didn't record the child's name.

We are struggling to place the payment with a child as we don't have a Nchalati family at our school at present. Please can you drop us a line and confirm if it was for your child.

Summerfields tournament...

Our senior primary netball and soccer stars had a full and fun day on Saturday at the Summerfields Primary Tournament. It was impressively organised and we had a lovely family day. Well done to our under 11 netball team who won second place. Don't forget that our junior primary netball and soccer players (except our Grade 1 netball team) are playing this weekend. If you have RSVP'd to Teacher Kathy or Coach Devin, we look forward to your arrival at Summerfields at 7h40 sharp (please remember that your team depends on you!) The games kick off immediately at 8h00, and we need the 20 minutes to find our teams and their courts/fields.

And on the subject of netball... please note that junior primary Tuesday netball practice is cancelled for the month of May, as the girls are playing matches on Wednesdays at Mooifontein.

Netball results from last week's game against Tom Newby

U10 lost 7-8

U11 won 8-3

U12 won 8-3

U13 lost 7-13

And results from yesterday's game against Willowview:

U10&11 won 2-0

U12&13 won 23-0

Our U10-U13 A teams are playing Bredell Laerskool tomorrow. We should be back at school by 16h15.

Keys found...

This set of keys was found on the school playground. Do they belong to you?

Mickey Mouse Reading Programme...

Don't forget to return your child's bookbag on Thursday. Thank you for all the parents who give us weekly feedback. Remember to report all damaged books so you are off the hook!...

Solids has got Talent...

To nurture and develop our budding children's talents, May month is "Talent Show Month" at Solid Foundations. These little shows are held during school assemblies (sorry - no parents) and are a lot of fun for the spectators and participants alike. Please note the dates and prerequisites below:

	<u>Date of show</u>	<u>Date of auditions</u>	<u>Dress code of participants</u>
<u>Mickey Mouse</u>	Friday 18 May	No auditions, but all singers and dancers do need a backing CD. Let your child's teacher know what item your child is planning to perform by Thursday the 17 th of May. (Please note that we expect the "sweet" and the "ridiculous" - hula hooping, belting out a false strum on a plastic guitar and telling silly jokes. All are quite "normal" entrees at this age. Your child doesn't need to be amazing, they just need to be brave!!	As an added incentive for our brave performers, pupils can wear their "performance outfit" all day on the Talent Show day should they wish.
<u>Grade 1 - 3</u>	Monday 28 May	21 - 25 May auditions during music lessons - come prepared	
<u>Grade 4 - 7</u>	Thursday 31 May	21 -25 May auditions during music lessons - come prepared	

Prayerfully and playfully
