## Your voice matters!

Our school has always believed in serving the community around us. The opinion of our pupils and parents is extremely important in the planning and operation of our school, as we know you are as invested as we are in making your child's educational journey a success.

**Please can each family in our school complete the Solid Foundations 2018 Survey.**

To do so, click on the following link...

<https://goo.gl/forms/qihAGWTZYvcz7fIh2>

As usual, the results of the survey will be released publically as soon as possible. Your opinion directly impacts our budget and goals as a school so **DON'T MISS THIS OPPORTUNITY TO MAKE A DIFFERENCE!!!**

## Our missionary mission...

This week Thursday, "Open Doors" is visiting our school to talk to our senior primary pupils about their missionary work in countries where Christians are persecuted.

They will be selling bracelets for R10 and shoelaces for R40, the proceeds of which go directly into sponsoring Arabic Children's Bibles distributed in the Middle East.

Please send along money (Junior primary and Mickey Mouse pupils are welcome to bring money along too) and pupils are welcome to wear their shoelaces and bracelets proudly with their school uniforms for the remainder of this month!

### Mickey Mouse reading programme...

New book bags will be sent out this week Friday.

Please remember to read EVERY DAY to your child. It has been proven that this is one of the best ways to build the academic skills your child needs for success.

### Assessment plans for term 3...

We have attached Term 3 assessment plans to our newsletters for all of our senior primary pupils. The plans are usually 90% accurate and are a helpful tool to keep your child's academic train on the tracks.

Why not put it on the fridge to keep an eye on upcoming dates?

### Congratulations...

The Munyayi family were blessed with the arrival of a perfect little girl on Thursday morning. Welcome to the world little Mutendeyi Judith Munyayi ("Baby Tendi")! We can't wait to meet you!
