Coming or going...

As we do every year around this time, we are starting to create our class lists for 2019 to calculate the exact number of pupils we can offer spaces to, and we are already testing for new pupils on Saturday. If you are planning on leaving us at the end of 2018, please do us the courtesy of dropping us a note. We would like to remind you that your contract provides for a whole term's notice period even if you are planning to leave at the conclusion of a school year.

And on the topic of admissions tests, please also remember that siblings do NOT get automatic entrance into our school. If you already have a child in Solid Foundations, you still need to enrol your second (or third) child and go through the interview or test procedure.

We currently have about 6 spaces remaining open for Grade RRR and 9 spaces open for Grade RR 2019. Please don't wait to enrol your child!

Mickey Mouse reading programme...

Don't forget to return your book bags tomorrow.

Please give us feedback if any of the books in your bag are damaged...
