Solid Foundations walks the floor in the ESKOM Ekurhuleni Science Expo...

We are so proud of our Grade 7 pupils who entered the Eskom Science Expo which was held this weekend.

Kirsty Small and Alyssa Morgan obtained a bronze award for their presentation on "Saving the Earth from an Astroid Hit!"

Reabetswe Teffu and Setshego Mangokoane obtained second place in the TUT Junior section and a bronze award for their project titled "Evolution and Creation".

Thembi won the best female project award (TUT junior section) - for which she was awarded a laptop bag and mug (sponsored by Tshwane University of Technology), the overall best female project award - for which she was awarded a Lenovo laptop (sponsored by Ekurhuleni) and a silver medal and USB memory stick sponsored by Eskom.

Her project was titled, "How to save Plant Extinction by using Cryo-preservation".

We congratulate Mrs Schreiber too for her support and assistance through this expo.

## Nailing it...

Our preschool pupils will be hammering out all their frustrations in our "Hammer-and-Nails Day" this week Friday.

Please remember your hammers (marked with your child's name). For safety, all hammers must be kept inside suitcases until the teachers ask for them.

### 20 Sleeps until the School Concert...

Don't forget that the school concert is coming up on the 12<sup>th</sup> of September at Kaleideo Church at 18h00 for 18h30.

A reminder that we have about 300 families in our school (400 kiddies), and Kaleideo has promised us seating for maximum 1100. This means that each family should be able to purchase 3 or 4 tickets. You do not need to purchase tickets for our pupils. Please don't wait to buy your tickets for R30, as they are selling rather quickly.

### Afrikaans teacher post...

Mrs Rees is considering semi-retirement in 2019 and would like to take her teaching career a little slower. We will therefore like to hand over the mantle for Grade 7 Afrikaans teaching to a new teacher. Please spread the word.

This teacher would only be expected to teach 1 to 2 hours daily and would be paid hourly.

With regrets, only fully qualified applicants will be accepted.

If you know of a teacher who would like to teach part-time at our school (retirees welcome), please send CVs to the office as soon as possible.

Fok Takkie .co

### Mickey Mouse reading programme...

Please return all book-bags tomorrow.

Remember to give us feedback if any of the books in your bag are damaged...

### Upcoming cake sales...

We have a full house planned for cake sales next week Friday (31 August)...

Grade RC, 3E and 6W will be hosting and the whole school can participate in this sweet affair!

### Netball news...

Our school photos should arrive within a week. The netball team photos have not been covered by the "Outings and Shows Budget" like the other photos, so orders need to be placed for these. If you would like a netball photo, please place an order with Mrs Bradshaw. They cost R20 and samples are hanging in the office.

Prayerfully and playfully  
The Solid Foundations Staff

I, the Lord, your God, I am holding you by  
the right hand;  
I tell you, 'Do not be afraid, I will help you.'

ISAIAH 41:13
