Thank you!

Our school has always been blessed with parents who are involved and show their support. Thank you for the wonderful baked goodies that are sent with every cake sale, the money sent for the book sale yesterday and the bicycles sent for our preschoolers last Friday (see our website for stacks of pictures).

Your cooperation goes such a long way in making beautiful memories for our children. Well done.

Laduuuma...

Our young soccer boys are scheduled for a mini match next week Friday afternoon. Coach Devin has arranged a game between Solid Foundations and Solid Beginnings Gr 1 and 2 during normal soccer hours after school at Laerskool Mooifontein's grounds. Enjoy!

Lending a hand and claiming the land...

A parent suggested in our recent survey that we appeal to the parents of our school who perhaps work for the Ekurhuleni North Municipality to assist us in our quest for the closing of the storm water drain adjacent to our school and for obtaining legal lease rights for use of this land. As mentioned, we have applied three times, but our application has lost its way yet again.

If you are able to assist us in this regard, we welcome any additional wisdom and muscle!

Tuck and hotdog vouchers...

Another smart suggestion made by a parent in our recent survey is that we supply tuck/hotdog vouchers to parents to avoid the scramble for R10 and R20 notes each Friday. We think this is a fabulous idea! If you would like to purchase vouchers from our school you are welcome to pay into the normal school fees account and use your child's name and "tuck vouchers" as a reference. Once

we have received POP we will supply your child with the vouchers that you can keep stored at home and grab whenever necessary.

Mickey Mouse reading programme...

Sorry, we will only be exchanging book-bags next week Friday again. If you find yourself in a world of fictional frustration, please consider visiting the Birchleigh North library before then!

Remember to give us feedback if any of the books in your bag are damaged...

<https://docs.google.com/forms/d/1a0BdiF2bl2M3rqKzBb7IHQ3b3R4v46zO9jAXRS+ybMA/viewform>

There still won't be any preschool homework words for next week as we will only be sending out emails again on Monday.

Remember that school is closed TOMORROW (Woman's Day) and Friday (GDE school holiday - After Care will be open). Enjoy the long weekend.

PLEASE WILL OUR AFTER CARE PUPILS USE THE GATE ON KORHAAN STREET ONLY ON FRIDAY. THANKS.

Prayerfully and playfully
The Solid Foundations Staff
