**12 September 2018**

## **No more sleeps!!!**

Excitement levels are soaring! Kiddies must be at the concert venue by 18h00 today and we are starting at 18h30 sharp.

The address is Kaleideo Church, 32 Fiskaal Street, Glen Marais.

See you tonight!

The  
Excitement is  
Building!

## **Congratulations**

### **Spelling Bee winners...**

We were really proud of the brave contesters in the Solid Foundations 2018 Spelling Bee.

It is amazing to watch these young ladies and gentlemen fire words out at a phenomenal rate without error. It was a close competition, but the winners for this year are: Nonjabulo Ntshembeni (Gr 1), Tshepang Khaha (Gr 2), Onalerona Montsho (Gr 3), Thato Mathye (Gr 4), Buhle Mhlongo (Gr 5), Jamie-Lee Pillay (Gr 6) and Khanyisile Talazo (Gr 7).

## **Netball photos...**

The netball photos have arrived and are available in the office. Please do collect them and remember your R20 if you have not already paid.

## **Heritage day...**

Our school will be celebrating "Heritage Day" on our break up day next week Friday (21 Sep). Children are invited to wear heritage clothing of any heritage in South Africa (it doesn't have to be their own).

As per usual we will use this as a fund-raiser for our Grade 7 farewell and the cost for wearing heritage clothing will be R5. Please pay this to your class teacher.

## **Spring break...**

Please do remember that unlike the government schools, we have a two week September break (after adding all those extra Mondays on the first day of each term this year). Our September holiday starts at 10h00 on Friday 21 September (break up day) and we will be back on Monday 8 October. Please remember that we are returning to school on the Monday and not on Tuesday like government schools. After Care will be open as per usual.

## **Out and about...**

Our Grade 1-3 pupils are off to Lory Park Zoo next week Thursday, and On-Cue Theatre is visiting Grade 4-7 on Monday. It's a lovely way to step into the holiday spirit!

### Mickey Mouse cake sale...

Teacher Laura's class is hosting the last Mickey Mouse cake sale for the term on break up day. Leftovers will be sold to all grades.

### Scientific error...

We would like to apologise for missing out Setshego's name in last week's newsletter as one of the lovely ladies who qualified for the second round of the Eskom Science Faire. We also wrote that they were facing their next round over the weekend, when in actual fact it was a "preparation for the next round" workshop. The next round will commence in October. Sorry for the misinformation.

### Mickey Mouse reading programme...

Please return all book-bags tomorrow.

Remember to give us feedback if any of the books in your bag are damaged...
