Proudly South African...

Friday is break up day for our school. We will be closing at 10h00.

On this special day we will be celebrating our South African heritage. Please can our pupils wear one of the following:

- Heritage clothing from any heritage of our country (it doesn't have to be your own)
- A South African shirt (rugby, cricket etc.)
- A "Mandela" shirt (i.e. bright, bold and patterned)

The cost for the civvies day is R5. Please pay your child's teacher directly. The proceeds raised will go towards the Grade 7 farewell.

Cricket champions...

Our cricket team did us really proud yesterday when they won their league! Congratulations Teacher Debbie and your cricket stars - you have made your mark yet again! Our special thanks to Mr Carstens for sponsoring the caps and bringing refreshments almost every week for the players, adding to their already huge smiles!

We're off to the zoo...

Don't forget that our junior primary pupils are off to the Lory Park Zoo tomorrow. They will be having a day of summery fun, so please lather your child with sunscreen and pack in an extra bottle of water.

High school options...

We do get asked about possible high school options for our departing senior primary pupils. Just a reminder that our current Grade 6 pupils should take term 4 of this year to view their options and begin making applications for 2020.

Based on the current trend, Solid Foundations pupils are opting for Birchleigh High School, Maranatha, Curro Serengeti, Ashton, St Dunstan's, Willowview and Jeppe. We also have pupils accepted in numerous other reputable schools and boarding schools further afield.

This week we were approached by a new school called "Lakewood Tutor Centre". They are a high school particularly aiming to educate aspiring professional athletes or artists who need a less rigid daily schedule. They are situated on beautiful grounds at the Benoni Lake Club (corner of Edward and Divot Street). Please feel free to contact them for further information: 084-602-7887.

Whatever path you may select, it is a joy for us that all the local high schools love accepting our pupils, as they have had such a solid foundation.

Important upcoming dates in term 4...

- Grade 1 and preschool parent information meeting on the 20th of October (compulsory attendance for Grade 1 parents)
- "It is Time" Prayer Meeting in Pretoria on the 27th of October
- Young Entrepreneurs Market Day on the 3rd of November
- Final examinations on the 14th of November
- Senior primary Camp from 26-29 November

Give 'em a boost...

Just a reminder that our Grade R pupils do need to visit their local clinic this year for their 6-year-old immunity boosters. These are the last immunity shots in a long while that your little one will need. We recommend a good layer of numbing cream on the thighs and arms (Emla) and an arsenal of tissues and sweeties as you face this last needle hurdle!

Cake sale and holiday info...

Teacher Laura's class is hosting the Mickey Mouse cake sale on Friday. Leftovers will be sold to the rest of the school.

After Care is open during the school holidays. Although we will be using our normal "Troll Bridge" gate for Friday afternoon, thereafter, After Care would like to use their usual gate on Korhaan street for the holiday period.

We are all back at school on MONDAY the 8th of October (unlike the government schools who only open again on the Tuesday).

Enjoy the break!

Mickey Mouse reading programme...

Last call to return all book bags for term 3 tomorrow. Remember to give us feedback if any of the books in your bag are damaged...
