**It's Time...**

Please don't forget the call to prayer at the "It's Time" prayer meeting in Pretoria this week Saturday. For more information, visit

Let's lift up our wonderful country to Jesus, who can make all the difference!

**Fabulous Tracker initiative...**

Did you know that our school bus is protected free-of-charge by Tracker through an initiative called "MySafeKidz"? As part of this great initiative, parents can use an App on their phones to track the whereabouts of the school bus at any time. This way you can keep an eye on the possible arrival times of our bus after sports events, field trips etc.

The App is free, and if you would like more information, please drop us an email ([admin@solidfoundationsprimary.co.za](mailto:admin@solidfoundationsprimary.co.za)) and we will send you all the easy-to-follow instructions from Tracker to get you started.

Any additional questions regarding the initiative can also be directed to [mysafekidz@tracker.co.za](mailto:mysafekidz@tracker.co.za)

**Budgets for 2019...**

We have finally finalised our Outings and Stationery budget for 2019. All fees are up on our website, but for your convenience we've listed the prices here...

Grade	Outings	Stationery	Books	Total
RRR	R780	R540		R1320
RR	R780	R570		R1350
R	R780	R630		R1410
1	R530	R930 (books included)		R1460
2	R530	R1110 (books included)		R1640
3	R530	R1060 (books included)		R1590
4	R550	R850 (books included)		R1400
5	R740	(purchase own as required)	R1390	R2130
6	R730	(purchase own as required)	R1460	R2190
7	R860	(purchase own as required)	R1350	R2210

Just a reminder that the school is NOT making a profit on these figures. The prices of books, stationery, textbooks and shows has really escalated in 2019 e.g. renting a single bus for a field trip is now in the region of R4500! We do buy stationery from wholesale suppliers and our books directly from the publishers to cut out the added "middle man" costs. Our calculated totals do need to be paid by the 1<sup>st</sup> of February 2019. You are welcome to start paying over a period of 4 months which will make the final amount far more digestible.

### Ten days countdown...

Don't forget to book your stall for our Young Entrepreneur's Market Day on the 3<sup>rd</sup> of November. Every child is encouraged to participate to make this day a fabulously fun family affair.

### Young Engineers goes even younger...

"Young Engineers" is an extra-mural that is specifically targeting Grade 1-7 pupils to teach them engineering skills. They are excited to now launch their "Big Builders Programme" at our school for Grade RRR, Grade RR and Grade R pupils in 2019.

Lessons are about 45 minutes long and the maximum class size is 12.

"Big Builders" will commence on a Tuesday or Wednesday afternoon.
