21 November 2018...

Preschool stationery drive...

Every year-end, our preschool teachers gather the well-used stationery together and make a package for charity or use it for interesting art projects in their classes for the coming year. If you would like your child's stationery returned to them, please let the teachers know by Friday. Simply drop a note or email and we will make sure that your child's stationery goes home.

Last word about camp...

Maraneman is ready and we are so excited about the senior primary camp next week. **Please note that the buses want to leave at 7h00 on Monday morning. Grab a cup of coffee and be on time!**

Mrs van Dijk, Miss van Wouw and Miss Mamapa are our designated "camp mummies".

Remember that if you are bringing money or medication, we would like it labelled and given to the teachers as you depart. The teachers **WILL NOT**

look after money or medicine that does not have your child's name on the envelope/ bottle. Our teachers will be travelling with basic medication for e.g. headaches and diarrhoea, so don't send bottles of medicine unnecessarily. We know that for some of our pupils it is their very first camp. We promise that the teachers will take good care of your child's heart and health 😊!

Also remember that it will be a "cell phone free camp". Cell phones will be confiscated. Don't send your child with any other valuable devices or items that could get lost, broken or stolen.

We expect that our children will wear practical "camp clothing". Sorry young ladies - no make-up or jewellery. And we recommend that you keep the clothing to the type that you can climb and move around in, as well as get dirty.

Our children should arrive back around lunch time on Thursday. We will be communicating with regular updates via D6 alerts to all of our senior primary families to keep you posted. Assuming our teachers have reasonable cell phone coverage, photos will also be regularly uploaded on our school website under the "gallery" tab.

We are sure that our children will have a blast and make memories for years to come!

Experilab kits...

Our senior primary pupils are getting the treat of a science show on the 3rd of December. The "Experilab" company brings science-experiment kits to sell to the pupils after their demonstrations. If you would like a kit, please send your child with R30 to school on that day.

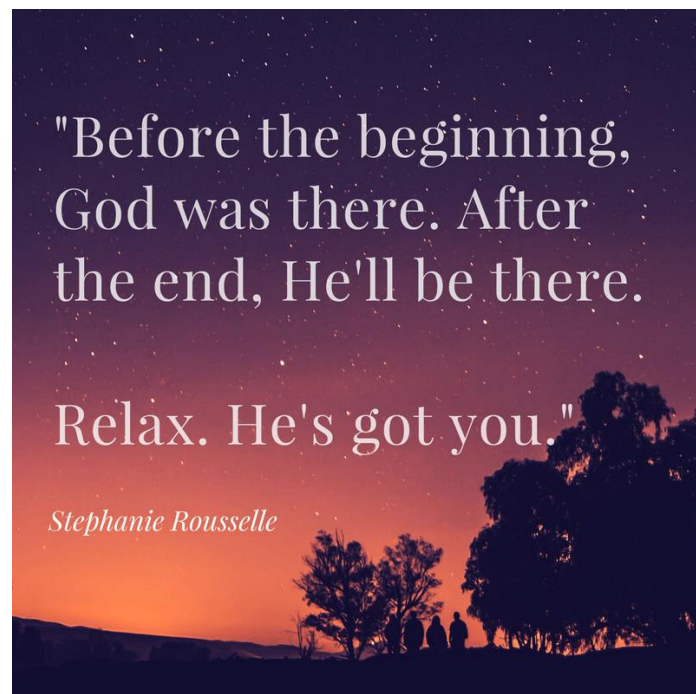

Calendar clarity...

Here are the last date announcements for 2018:

26- 29 November	Senior primary camp
30 November	Grade 7 farewell (kids return after 17h00) Grade 3-6 Magic show at school
3 December	Final school "Special Assemblies" Grade 4-7 Experilab science show
4 December	Reports go out and school breaks up at 10h00

Prayerfully and playfully
