28 November 2018...

## Beat the clock...

Uncle Darrel (our beloved groundsman) is away on a rural outreach next week, and will not be able to assist with emergency late pick-ups.

Please make every effort to be on time.

Teacher Joanne will be locking up at 17h30 daily and has been instructed to issue financial fines to any late-comers to cover her over-time.

## Sorry sweethearts...

Tuck is closed this week Friday.

We have cleared out all our 2018 stock and are not replenishing the stock until 2019.

We will still be selling our usual R10 hotdogs and Teacher Kathy will sell "Pop Shots" for R5 on Friday instead.

## Grade 7 farewell...

Our Grade 7s are off to their farewell at Gold Reef City this week Friday. Please remember to pack some money for lunch.

They will only be leaving school at about 8 and we are expecting them home quite late (between 17h00 and 17h30).

**She's getting married in the morning...**

We are over the moon for Teacher Kathy who will be saying "I do" this weekend.

After a romantic and long wait for your 'Prince Charming Clive', may you have the full fairy tale - as you so richly deserve!

**A final word...**

What a busy and beautiful year 2018 has been. Please remember that reports go out on Tuesday (please bring a bag to put it in) and school closes at 10h00. Children can wear civvies and something Christmassy on break-up day (no charge ☺).

Your support as parents has been the wind under our wings this year.

Thank you too, to our incredible staff who are the "dream team" when it comes to working flat out right to the end. No nonsense, no 'politics', just terrific fun and cooperation! Thank you teachers.

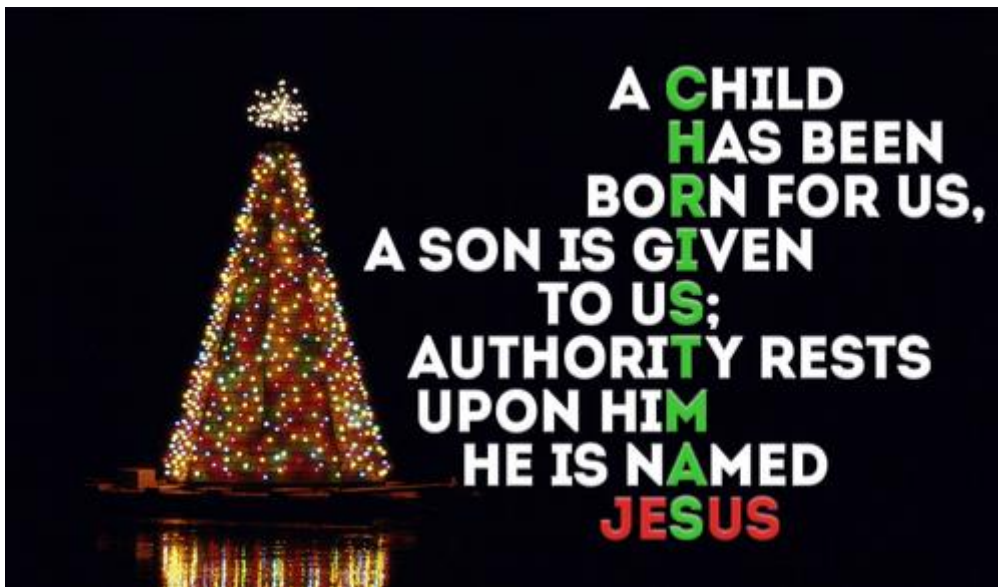

Have a blessed Christmas holiday. May Jesus be your life and light during this Season. Drive safely.

Prayerfully and playfully
