JUST A LITTLE
REMINDER
THAT YOU ARE
loved!

"When my grandmother got arthritis, she couldn't bend over and paint her toenails anymore. So my grandfather does it for her all the time, even when his hands got arthritis too. That's love," — Rebecca, age 8.

Happy Valentine's Day...

Our school always celebrates Valentine's Day in the sweetest way. Thank you for buying all those ribbons! To raise funds for their farewell, the Grade 7's are selling chocolates tomorrow. Different prices for different sizes, but R10 should get you one or two sweet treats.

Don't forget to wear civvies (Valentine's colours please) and pay your R5 for civvies to your class teachers. This money also goes into the Grade 7 farewell kitty.

"Love is what makes you smile when you're tired," — Terri, age 4.

Saluting our scouts and cubs

In recognition of these marvellous organisations, Solid Foundations will be joining schools across South Africa and allowing our pupils to wear their scout and cub uniforms to school on the 22nd February (next week Friday). Well done lads and lassies!

"When someone loves you, the way they say your name is different. You know that your name is safe in their mouth," — Billy, age 4.

Smart for PT and school...

Please familiarise yourself with our school uniform policy. We do not permit MIXED black and white shoes at school for P.T. They need to be SOLID colours from their sole to the laces i.e. ALL black or ALL white.

P.T. takkies are also not "bootlet takkies". Please keep them "normal takkie" height.

Also, please remember that button-up-to-the-chin shirts need to be worn with bowties or ties.

We know that it might appear like nit-picking when we enforce rules like these, but it's these small rules that make a huge, neat, difference.

"You really shouldn't say 'I love you' unless you mean it. But if you mean it, you should say it a lot. People forget," — Jessica, age 8.

Indemnity forms for outings...

Please will you return your indemnity forms for your child's outings this year. We need those forms to allow your child to go on any planned field-trip outside of school. If you're curious about your child's outings, please pop onto the D6 and view the calendar.

"Love is when Mommy gives Daddy the best piece of chicken," — Elaine, age 5.

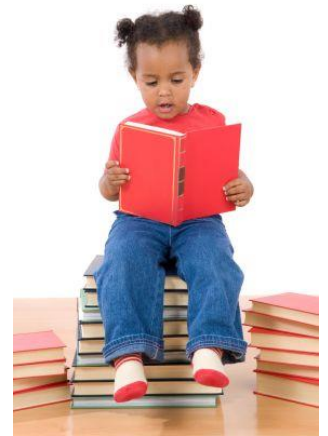

Preschool reading and vocabulary programme...

"If you want your children to be intelligent, read them fairy tales. If you want them to be more intelligent, read them more fairy tales." Albert Einstein

Please remember to return your book-bags (including the two laminated cards) tomorrow so we can supply you with new ones on Friday.

Give us your feedback about the books please...
