## Wash your hands...

Please can all the pupils from Teacher Kathy and Teacher Estelle's class return their hand-washing research consent forms tomorrow. This is urgent and we really require your cooperation in this regard! Thank you.

## Term end cake sales...

Grade RL (Teacher Laura) and Grade 5M are hosting the last cake sales for Term 1 this week Friday. Mickey Mouse and senior primary (Grade 4D, 5,6 and 7) remember to show your support and bring your change!

## This little piggie is building her house of bricks...

We apologise for all the bricks and sand blocking your easy access to the school gate and school entrance on Maraboe Road. We are currently re-paving and strengthening the entrance area and steps to the school, which after 47 years of enthusiastic entry were starting to sink on the one side and needed some desperate TLC. We appreciate your patience.

## Preschool reading and vocabulary programme...

Please remember to return your book-bags (including the two laminated cards) tomorrow so we can supply you with new ones on Friday. Please add your consent forms for the hand-washing research project (Grade RR pupils).

Give us your feedback about the books please...

## Scoliosis screening...

Don't forget that a human movement scientist would like to do scoliosis screening of our pupils at school. The cost of the screening is R200 per child. If you are interested, please let the office know so we can make the arrangements.

### Netball news...

We have moved the Grade 6 and 7 netball practice to Mooifontein on Monday afternoons. This change will be in effect from the first Monday in Term 2.

Congratulations to Shaunalize Joshua who has made it to round 1 of the Gauteng netball trials. We're so proud of you young lady!

### Term conclusion...

We have raced through Term 1 and school will **close for the holidays this week Friday at 10h00.**

Please note that we reopen on **MONDAY THE 1<sup>ST</sup> OF APRIL (unlike government schools)!!!**

We add our extra days that we open earlier, to our September holiday, which gives us a two week holiday compared to the government's one.

After Care remains open during the holidays, except Thursday the 21<sup>st</sup> March which is Human Rights Day. Please use the gate on Korhaan Street to drop and fetch your children for After Care during the holidays.

If you are interested in casual After Care (and are not a permanent After Care member), you are welcome to drop off your child for a morning or afternoon. We charge R80 for half a day and R160 for a full day (7h00 until 17h30).

**Have a super holiday and make memories with your families!**

Prayerfully and playfully

The Teachers
