Getting rid of inside nasties...

The Department of Education and Health has launched a campaign to deworm all school-going pupils. Our school is scheduled for deworming on the 28th of August. We have attached the Department's consent forms (forgive the rough copy we have been given). Please can you print out your child's consent form, fill it out and send it back to school by next week Friday. If you are unable to print out a form, please ask your child to collect one from the office. Only pupils who return their consent forms will be de-wormed.

In their last de-worming campaign (2018), the department used "Vermox" as their medication of choice. Our pupils found the experience quite organised with no trauma or tears.

School survey 2019...

We have clocked 72 responses on our feedback spreadsheet. Thank you to the parents who have taken the time to answer. If you have not yet done so, please give us your say before Friday. You simply click on this link...

https://docs.google.com/forms/d/e/1FAIpQLSfRjLNRzCpMSu_mcrFUCFTxGyOf18fX6s4MA9XBtE_yomDItrw/viewform

We appreciate each voice.

Bubbles and troubles ...

Our senior primary pupils are building excitement about putting together their science fair displays. We can't wait to see their fresh and fabulous save-the-world ideas.

Don't forget to give your child support by bringing home a box for display purposes.

Wheelie day...

Remember that this week Friday is our preschool "bicycle day". Please send your little one to school with a bicycle (or scooter, skateboard, roller-skates etc.). All children riding bicycles or roller-skates **MUST** have helmets. This is compulsory, and a really worthwhile investment for your child's safety every time they go for a ride.

Please deliver all bikes and scooters to the grass patch behind Teacher Kerry Ann's classroom (you can use the teacher's driveway on Korhaan Street on Friday morning for drop offs if it's easier).

We have the privilege of blocking off the Korhaan cul-de-sac for an hour for our children to "ride in the

road" and the teachers enjoy playing "traffic officer" while keeping a watchful eye over our young cyclists.

Preschool reading and vocabulary programme...

Please return all book-bags and words tomorrow. Remember to give us feedback about the condition of the books...

Cricket season starts...

Our senior cricket boys will be playing a match against Laerskool Kempton Park tomorrow. Please ensure that your child is wearing long white pants and a white golf shirt. Players must also wear their own helmets and pads and bring their bats along. The school bus will return to school by 17h00. Enjoy!

Chess club...

We mentioned the arrival of Brighton Mthunzi as a new chess coach in last week's newsletter. We asked him for a brief resume, which we've included for you... "I am turning 37 on Friday 😊. I grew up in a chess playing family so I was fond of chess at a tender age. I went to school at Beyhan College, but could not further my studies due to financial issues. Therefore, I decided to pursue chess since I was talented, and loved the game. I have been a chess coach and a professional player for over 15 years. I am co-founder of Primrose Chess Club in Primrose. I am also a coach for Ekurhuleni Chess."

Upcoming cake sales...

Next week Friday is Grade 7S and Teacher Kathy's cake sales. Thank you for all the fabulous support for our cake sales throughout this year.

Prayerfully and playfully

The teachers
