3 February 2021

Something so lovely...

Valentine's day is usually a fun and special day to celebrate at school. Next week Friday (12 February) our school will spread the love in three fun ways:

1. **Civvies day!** The children can wear civvies on Friday (12 February), as long as their shirt/top colour is WHITE, PINK or RED. We will not be charging any civvies day fees this time around.
2. As usual, Mrs Obbes is raising some funds for her computer centre by selling "**secret ribbons**". You can order a "secret ribbon" to be delivered to a friend at school without them even knowing you sent it!
Pink ribbon = You're cute
Yellow ribbon = You're a great friend
Blue ribbon = You're loyal
Ribbons cost R2 and orders can be placed with every class teacher.
Psssst...Parents, you are also welcome to place orders for your children through the office ;)
3. The Grade 7s are selling **chocolates** on the 12th to raise funds for their farewell. Tuck shop will be closed on this day, but Valentine's chocolates will be sold for R1 upwards.

Out and about...

Our pre-schoolers have already been treated to an incredible "Body Show" last week Friday and they will be "baking" this week Friday. Next week Tuesday and Thursday, our Grade 4s are in off to the dairy. Don't forget your indemnity forms! Pictures are up on the website every time we have something unique happening at school, so feel free to take a peak (www.solidfoundationsprimary.com).

Lost property...

Our school handles lost property in a very unique way. All lost property items that do NOT have a name/label on them are available for any family to help themselves to. Unlabelled lost property becomes our "free shop"!

If you do not want to donate your clothing to charity, please label every single item, from socks to lunch boxes.

Masks...

Please remember to pack a spare mask every day. The ear elastics of most masks can be rather temperamental, so keep safe and have a spare.

Mickey Mouse and GRADE 1 Reading and Vocabulary programme...

Congratulations Grade 1s for joining our reading programme this year! We are so excited.

Remember to report any damaged books to us. Thank you to the parents who have done so this week. Those who still want to report damaged books, click on the link below to do so:

<https://forms.gle/hwZxp6ZHpd41NWrD8>

Also, remember to bring your book bags back tomorrow. Even if you have not read all the books, bring your bookbag back so that we can keep the exchange-system flowing. Unfortunately, we will not swap out book bags returned on a Friday. We need a full day to check the bags and change the labels.

Lazy Thursdays...

On Thursday mornings, we usually have a staff meeting from 7h30 to 8h00. This is the **only** morning in the week in which our pupils can arrive at school by 7h50 instead of the usual 7h20. If you would like to have a slightly later start on Thursdays, just a reminder that all gates will be closed at 7h30 except the "Troll Bridge" gate which stays open until 7h55. We do request that every other day, our pupils are dropped off by 7h20.

Rainy weather and sports...

The sports coaches are really trying to kick off the season, but the weather isn't playing ball! Please keep an eye on the D6 to confirm if your sport has been cancelled or if the coaches are trying to push through with a practice. Send completed forms to Teacher Kathy (for all sports) in the meantime.

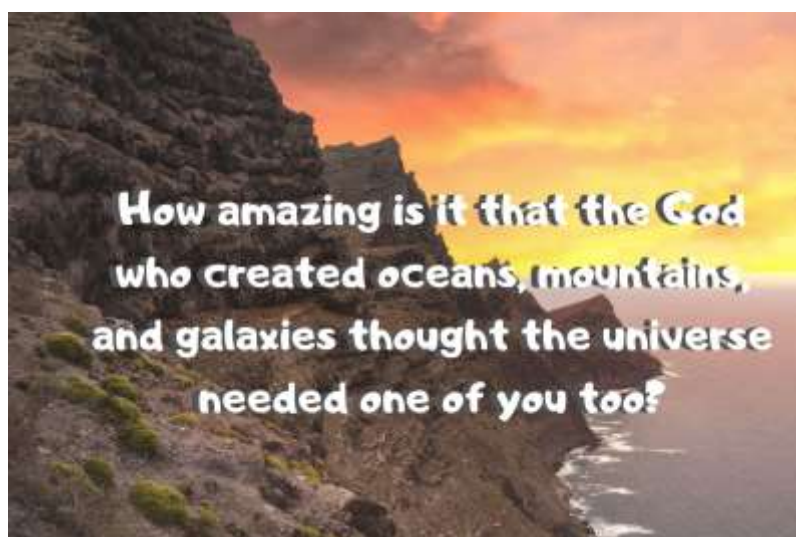

Prayerfully and playfully

The Teachers
