## **Woofing up some support...**

A reminder that "Caiden's Grove" (a staffie rescue organisation) is visiting our school on Friday. We have asked all of our pupils to bring a pet food item to donate. The food will be distributed to "Caiden's Grove" and our local SPCA.

As an extra incentive, **all pupils who do bring a pet food item may wear civvies on Friday.** Only pupils who have brought pet food may enjoy this privilege, and teachers will be keeping record.

Thank you for making a difference to our furry friends when their times are tough too!

## **Our annual miracle...**

Next week, our preschool classes will celebrate life by watching eggs hatch in their classes. If you have a younger sibling that would like to pop in to see this amazing process, we expect the hatchlings to make an appearance on Thursday and Friday (19 and 20 August).

## **Plans for 2022...**

Just a reminder that it would be appreciated for you to give us notice if you are thinking of moving out of our school in 2022. We do understand the fluid economic times we are living in, and promise to give your child all the necessary love and support even if they are on the leavers' list.

## **Grade RRR-1 Reading programme...**
