Welcome back to school and a beautiful Term 2.

Uniform check...

As we start experiencing the first shivers of autumn, please check your child's uniform to ensure that they look smart and in sync with our school policies. We do NOT have a date when we switch over from summer to winter uniforms. As we've always believed, children should be dressed appropriately for the weather!

Our preschool (Grade RRR-R) pupils do not have white school shirts nor do they attend formal assemblies, so they can currently wear mixed formal and informal uniform as they please. This may change after our parental survey in September though.

Strange payments...

We had three strange payments made into our bank account during the holidays. Are any of these payments yours?

- R4000 paid on the 28th of March using the reference "SF Primary"
- R3350 paid on the 30th of March using the reference "School Fees"
- R500 paid on 1 April using the reference "B Nkosi"

Optional Grade 5-7 Olympiad...

Our senior primary pupils all participate in annual Conquesta Olympiads.

However, we would also like to give our pupils the opportunity to participate in a different Science Olympiad this year called the SAASTA Olympiad.

Entries close on Friday and the cost is R35.

This is NOT a part of your "Outings and Stationery" budget, so if you'd like your child to write this Olympiad on the 28th of July, please send your R35 enrolment fee to Mrs Babcock by Friday.

Cerebral Palsy and civvies...

One of our pupils has a sibling with cerebral palsy, and we would like to show our support by creating our own cerebral palsy awareness day next week Thursday.

Pupils may purchase stickers from the office for R10 and the sticker entitles pupils to wear civvies next week Thursday, before the long weekend.

Let's show our love and care and have fun while we're about it!

Remember, no sticker, no civvies!
