Thank you for the magical memories...

Wasn't last night just the most precious evening?! Thank you so much for your resounding support - you were a terrific audience! We are sure our children will treasure these memories for life. Please feel free to post your pictures and clippings on Facebook and tag Solid Foundations to share the concert fun with friends and family.

Old MacDonald had a farm...

We have "Farm Corner" visiting our preschool on Friday. Our little children will have the joy of feeding and touching farm animals at school. They are welcome to bring veggies (e.g. lettuce, carrots, spinach etc.) on Friday to feed the animals. Yee-hah!

Science Fair countdown...

We have two weekends left for our senior primary pupils to prepare their science or technology projects for the school Science Fair. A reminder that it is compulsory for Gr 5-7 and will be graded, but voluntary for Grade 4. Please give your child the guidance and resources required to make a success of this exciting day.

Congratulations Vanessa...

Teacher Vanessa's (our ballet teacher) beautiful baby boy arrived yesterday at 6:42am. Welcome to the world, Logan van Tonder. You are bound to be a big blessing, coming in at 52cm and 3,9kg. Happy birthday! (The picture shows the proud face of daddy van Tonder)

Hiking for health...

Our Grade 4s are off to Moreleta Park next week for an experience at hiking! Please remember to pack in a water bottle. PE uniform, sunscreen and sunhats are expected.

Bookbags...

Please remember your bags tomorrow.

Also don't forget to report any damaged books to:

SMILE Live Grown

When one considers the cost of healthy food in South Africa coupled with the lack of time to shop around for the lowest prices, nutrition has become a nagging concern for most. We know that we have to live healthier but there's just too many barriers.

The case for making healthy food more accessible is clear, therefore SMILE brings together health and convenience at unbeatable prices.
