Trust you enjoyed the little reprieve and are refreshed!

Upcoming fun events...

A reminder about these two fun events planned for this week Friday:

Preschool- Endangered Species Educational Show

Grade 5-7- Acrobanching! Remember to wear closed takkies with your PE uniform. Sunhats and sunscreen

are recommended as well as extra water to keep you hydrated. Happy climbing!

A gentle reminder that pupils whose school fees accounts are not paid up-to-date are not permitted to participate in planned outings and shows.

Yummy stuff...

Grade 1G will be hosting their cake sale this week Friday too, for the Grade 1-3 children to enjoy. If there are leftovers, we will sell to the preschool classes. We're looking forward to the treat!

Preschool reports...

Our preschool pupils will be bringing home their first report cards this week. Please feel free to make appointments to see teachers by either contacting them directly (if they have shared their number), or selecting a suitable appointment time through the office. Our teachers are available at 7h10 or at 13h00 most days.

"Why is an A or B better than a C or D?
Aren't all letters equal in the eyes of God?"

Our sincere condolences...

This weekend was a tough one for some of our staff members, and we pray the Lord's peace in their hearts and families as they face the loss of loved ones. Mr Baloyi lost his mom, Mrs Nothnagel lost her grandmother and Teacher Kathy lost a close friend.

Please be understanding with these teachers in their absence to plan and attend funerals.

Book bags...

Please return all bookbags tomorrow. Also remember to report any badly damaged books. You can click on the link below...
