The mechanics of Market Day...

Remember Market Day next week Saturday (9h00 - 12h00).

Young entrepreneurs take note!...

What must you bring?

- Your own float (money to give change to your customers).
- An umbrella or gazebo if you want to set up in the sun.
- A poster advertising your product and its price, as well as tape to attach your poster to your table.
- Extension cables (if you need electricity).

What time must you be there?

- Stalls can start setting up as early as 7h30. You **MUST** be set up by 9h00.

Where must you set up?

- Anywhere on our school playgrounds. First-come-first-serve for a good spot.

What will the school supply?

- School desks and chairs. Help yourself to chairs and tables out of the classrooms, but **PLEASE RETURN THEM** to the class in which you found them.

How much must I pay to run my stall and to whom?

- You can calculate 10% of your profit, or ask a grownup to help you, and pay at the office on Market Day before you leave. If you need to use electricity. Please pay your R50 in the office first thing in the morning when you arrive. We completely rely on your honesty on the day. Thank you for integrity.

Please contact the office if you'd still like to book a stall. We have quite a yummy selection of food stalls, so try to avoid thinking of a "foody" idea if you still need to brainstorm.

Cake sale this week Friday...

Grade 3S and Grade 6O are hosting cake sales this week Friday.

This means that tuck will be closed for Grade 1-7, and instead, they get to enjoy the delicious goodies that Mrs Mac and Mrs Savig's classes bring. Left-over cake sale will be sold to preschool, but tuck will be open to our Grade RRR-R pupils.

Study skills Saturday...

Mr Swiegers is hosting his study skills course this Saturday morning at 8h00 sharp. The cost is R150 per pupil and parents are encouraged to attend. This course will be a great launch for pupils into their study time just before the final exams. Please let Mr Swiegers know if you are planning to attend.

Budget chat...

A reminder that camp fees (Grade 5-7) must be paid in full before the 7th of November if you would like your child to attend.

We finally got the prices from all our shows, outings, publishers and stationery suppliers for 2024. Herewith our "stationery and shows" budget for 2024, due the first week of February...

<u>Grade</u>	<u>Outings and/or shows</u>	<u>Stationery (includes books for Grade 1-4)</u>	<u>Textbooks and work books</u>	<u>Total</u>
RRR	R1410	R710	Included in stationery fee	R2120
RR	R1410	R915	Included in stationery fee	R2325
R	R1410	R1075	Included in stationery fee	R2485
1	R910	R1125	Included in stationery fee	R2035
2	R910	R1570	Included in stationery fee	R2480
3	R910	R1370	Included in stationery fee	R2280
4	R1100	R1585	Included in stationery fee	R2685
5	R1125	Purchase as required	R1580	R2705
6	R1125	Purchase as required	R1275	R2400
7	R1125	Purchase as required	R1770	R2895

A reminder that we do not make any profit on this as a school, so every cent is going directly to your child.

We understand that this fee is a challenge for many families to pay all at once. **We therefore strongly recommend** that you start paying for this fee in increments, so it lessens the burden of February e.g. pay R800 extra with your November, December and January school fees.

Waiter... more cokes please!

Don't forget that our Grade 7s will waiter at the Norkem Spur on Tuesday evening the 7th of November between 18h00 and 20h00. All families are invited!

Last week to resign from After Care...

Don't forget that we will not accept any resignations from After Care after next week Tuesday. All pupils in After Care in November will be charged R500 for December, whether or not they make use of the After Care facilities in December.

Missing puzzle pieces...

Please only keep your child away from school if they are genuinely ill. Every day a child misses school is like a piece of their little puzzle that goes missing and it becomes really hard for them to find it again. Please help them to keep the "big picture" together as much as physically possible.

Glancing ahead...

Here are some fun upcoming school events to look forward to...

Protect those precious skins...

The sun has been pretty brutal the last few days, and we would like to remind you to either put sunscreen on your child every morning or send them to school wearing a hat, or with a hat in their bag for break. We do not mind if the hat does not match our school uniform. Your child's skin is more important!

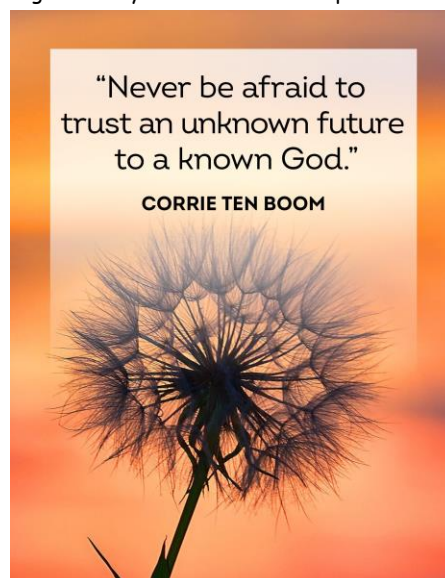

Prayerfully and playfully
