Concert thanks...

What a splendid evening we had last night! Thank you for your fabulous support of our pupils. We were super proud and excited about their performances. Well done!

HPV vaccine...

The Department of Education and Health have combined to vaccinate all girls in Grade 5, 6 and 7 with the HPV vaccine. They have requested independent schools to join in the campaign. We have sent consent forms home with our senior girls. We currently do not have a vaccination date, but if you are interested in having your daughter vaccinated, please complete the consent form and return it to school.

Science Fair and Spelling Bee count-down...

It's just over two weeks to go until our Science Fair (Grade 4-7) and Spelling Bees (Grade 1-7), and one week to go until our Maths Bees (Grade 1-7). Remember that your child may not present any work at the Science Fair that is hand-written, so start preparing ahead. We are looking forward to some amazing (and cute) hypotheses being proven/disproven at the fair.

Reading programme and pizza reminder...

Remember to return your bookbag tomorrow morning. Please report badly damaged books to us on: <https://forms.gle/hwZxp6ZHpd41NWrd8> or with a general email if you'd prefer.

We will also take Friday's pizza orders tomorrow at the office for R35 as usual.

Prayerfully and playfully
