Such very messy fun...

Each year, once our little preschoolers are settled, we like to expose them to the messiest play date ever! This week Friday is "Messy Play Day" and our Grade RRR to R pupils are going to wade through oo'dels of noodles and fingerpaint and mud and slime. This is how you can help your little one to have the best day ever:

1. Send them to school in OLD clothes (please note that these clothes might not be salvageable after our messy day 😊!)
2. Send a towel and change of clean, dry civvies clothing too (remember underpants). Put the clean, dry clothes in a packet marked with your child's name and write their name on ALL items you want returned please.

Enjoy the stories and giggles about this absolutely all-out messy experience!

Extra-mural kick-off...

Most of our extra-murals are starting next week. Please return your forms and registration fees so your child can join in these fabulous opportunities. Forms can be returned to school, but please pay any money into the accounts of the extra-mural companies directly. A reminder that Coding and Robotics (Grade 4 upwards) is free, and that we also offer free isiZulu and SePedi lessons.

School fees warning...

A reminder that February fees are due together with all "Outings, Shows and Stationery/books" fees by the 7th of February. Sadly, pupils whose school accounts are not up-to-date by the 7th are asked to remain at home. For your convenience, here are the total amounts (Outings, shows and stationery/books combined) again for your calculations:

Grade	Amount for Outings, Shows and Stationery/books
RRR	- R2290
RR	- R2490
R	- R2660
1	- R2330
2	- R2630
3	- R2520
4	- R2900
5	- R2790
6	- R2560
7	- R3090

Please feel free to contact us if you have questions regarding the above.

Sweethearts and cutie pies...

Valentine's Day is two weeks away, and our school celebrates the day with colourful ribbons being delivered to pupils from anonymous buyers - shhhhhh! If you would like to purchase a ribbon to be delivered to your sweetheart or friend on Valentine's Day, they cost R2 each and can be ordered from the office, Mrs Obbes, Teacher Ploutos or Mrs Diamond. Different colours have different meanings...

- Pink = I think you're cute
- Blue = I admire your loyalty
- Yellow = Friendship blooms

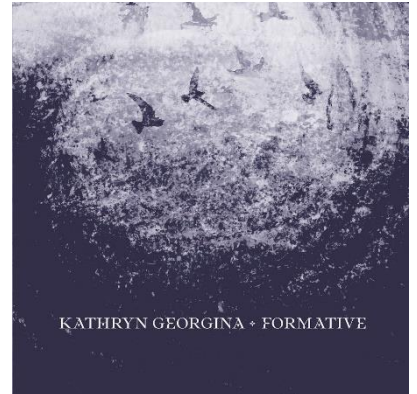

Parents are welcome to order ribbons too and can pop in the office as early as 7h00 to place an order. Chocolates will also be sold on Valentine's Day by the Grade 7s to raise funds for the Grade 7 farewell.

Solids' very own celebrity...

A huge shout out to Teacher Kathryn, our music teacher, who recorded a debut album "Formative", set for release in February 2025. It is described as an album which "channels self-doubt and disillusion into stripped down versions of early 2000s post-hardcore and hardcore tracks that many will recognise from the era's defining sound".

We are so proud of her accomplishment!
