Woofing Friday...

A reminder that we are collecting pet food for Friday. Pug Rescue SA is visiting our school with some furry friends, and we are going to bless them with food for their doggie rescues, as well as other animal rescue organisations in our area. All pupils (Grade RRR-7) who bring pet food may wear civvies on Friday.

Stretching those study muscles...

Mr Swiegers will be hosting another one of his excellent study courses for those who missed the first one this year, or just want a refresher. The date for the course is Saturday the 31st of May from 8h00 until 11h00. The cost per pupil is R200 (please pay Mr Swiegers directly on the day). We highly recommend this course for all of our Grade 4-7 pupils to brush up on study skills. Please RSVP to the office if you would like to attend. We would prefer it if parents can attend with their children.

Congratulations!...

Our U12 netball girls really made us proud by taking home the winner's trophy at the Norkem Park Sports Tournament this past weekend. Kim Jaravani also achieved the best defender of the tournament award. In addition to this, here are some of their other recent victories:

Against Maranatha

U12 won 34-0

U13 won 31-6

Against Eco kids

U12 won 25-0

U13 won 37-0

What a winning streak! Congrats Coach Kathy and your girls!

It's in the bag...

Boundary Silk Bazaar have kit bags for sale with our school logo on them. They are neat and slick and come with our recommendation. However, a reminder that it is not compulsory to have one.

Take me somewhere...

A little bit of unrequited parental advice...please take your children on family outings and "dates" over weekends and holidays as much as possible. Our pupils need to spend quality time with you, and broaden their general knowledge. Visits to parks, museums, botanical gardens and shows are invaluable for children's mental development and overall rounded education. We are very concerned at how little our pupils are exploring the real world outside of electronic devices and McDonalds! Let's help those little brains grow.

Slight exam timetable changes (Grade 4-7)...

We have made a few tweaks to the timetable we gave out in the assessment plans at the beginning of the term. Here is the final timetable for Grade 5-7...

Extra Maths assistance...

A reminder that our school does offer extra-maths lessons after school. This may be particularly helpful for those wanting to overcome the last hiccups before the June exam session. Extra maths classes cost R100 per hour and are hosted by Mr Swiegers (Gr 4 and 7), Teacher Shirley (Gr 1-3) and Miss Masemola (Gr 5 and 6). Just drop us an email if you would like your child to start attending.

Pizza and bookbags

Grade RRR-2 will be getting new bookbags on Friday. Please return all bookbags tomorrow and report badly damaged books to us on: <https://forms.gle/hwZxp6ZHpd41NWrd8> or with a general email if you'd prefer.

Pizzas can be ordered in the office tomorrow as usual and hotdogs and tuck will be available on Friday.

Prayerfully and playfully
