Hooked on Books...

Our Grade 1-7 pupils are going to be treated to a notoriously excellent theatrical performance tomorrow. "Hooked on Books" will be whetting our young readers' appetites to read great books, by acting out portions of these books. The books have been purchased by Solids and are available for our pupils to borrow from their class libraries. If your child is desperate to read these books and can't stand the wait to borrow them, pop onto the "Hooked-on-Books" website and get a 10% off from Exclusive Books if you order from the site.

Battle of the Brains...

Our Grade 4-7 pupils are in for a tremendous treat this week Thursday. Solids is trying our first ever "Battle of the Brains" day. The seniors will be divided into groups to take on gruelling "thinking out of the box" challenges for the better part of the day. We are excited to watch them figure and creatively problem solve their way through this day! The "Battle of the Brains" ends at 13h10 and learners may go home at this time.

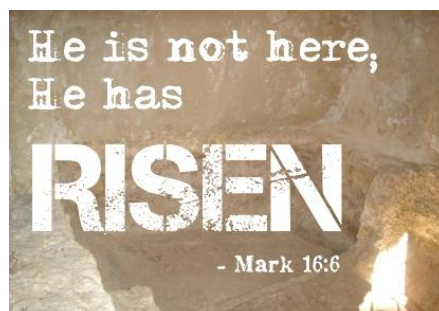

We've had a fabulous term. Thank you for your enthusiastic and joyful support. Have a blessed Easter.

Prayerfully and playfully
